Subject: SW GAS: CONTACT ACC

Gentlemen,

I my name is David Tressler

My address is Sun City, AZ 85351 my phone number mail
address, dltrassler@Cox.net Southwest Gas Corporation: Docket Number: G-01551A-10-0458 R ate increase
and decoupling.

I am opposed to this, as well you should be also. As we in Sun City, first of all have not the money nor the
means to fight this properly. The only way that we can do anything about this is through letters to people who
more than likely are not going to read the, it seems that just like the problem this country is in. Between
Republicans and Democrats we get nothing accomplished. While I know that this probably will fall on deaf ears
hopefully you'll make the right decision

Sincerely,
David L. Tressler

Subject: SW Gas Re: Rate Increase and de-coupling Docket G 01551A-10-0458

Tried your online form but it doesn't talk to Cox.

I am against this because not only will my utility rates increase, but so will by rec center fees. Plus SW will be free to charge based on efficiency of usage. This is a multi-edged sword. For those of us on fixed incomes it will demand that we sacrifice on necessities have and make those decisions every month thereafter. Why can't the utilities learn to live within their means, like I have to.
